

Pupil premium grant expenditure- website information

An overview of the Pupil Premium

The Pupil Premium is designed to ensure that funding to tackle disadvantage reaches the pupils who need it most. The funding is allocated to Local Authorities and schools from Reception to Year 11 who have been eligible for free school meals (FSM) at any point in the last 6 years, are looked after or who have parents who are currently in the armed forces. For the financial year 2016/17 the funding allocation was £1320 per pupil in receipt of FSM at any point in the last 6 years; £300 per pupil for those in armed forces families; £1900 per pupil who is post-looked after/adopted.

Summary of PPG spending 2016/17

Objectives in spending PPG including barriers to performance:

For the identified group of children:

- Raise attainment in all areas, but particularly writing, so that the gap in attainment and progress between the school's performance and the national average for this vulnerable group reduces.
- Improve attendance of those within the identified group where appropriate
- Raise attainment of children within the identified group who have specific needs

Summary of spending and actions taken for 2016/17:

Employment of Every Child Counts Teacher, Social Inclusion Co-ordinator, HLTA & Family Support Adviser	£ 123834.07
Financial support for residential visits	£ 100.00
Purchase of milk	£ 1148.98
Staff training and resources for intervention programmes	£ 655.00
Total spend	£ 125738.05

Outcomes to date including the effect of expenditure on the educational attainment of those pupils eligible for the PPG:

Across the school, the children eligible for the PPG make the same, or better, progress as the rest of the children in their year. This is pleasing. The spending of the PPG is clearly having a positive impact on these children's progress.

Barriers to future attainment of pupils who attract the pupil premium

- Attainment at greater depth
- Progress and attainment of high prior attainers
- Attendance
- Detrimental impact of environmental factors outside of school

Planned spending of PPG 2017/18

Objectives in spending PPG including barriers to performance:

For the identified group of children:

- Raise attainment in all areas, but particularly writing, so that the gap in attainment and progress between the school's performance and the national average for this vulnerable group reduces.
- Increase the proportion of children within this group who attain greater depth
- Improve attendance of those within the identified group where appropriate
- Raise attainment of children within the identified group who have specific needs
